

Support Library Programs and Services

Friends of the Walkertown Library is a non-profit 501 (c)3 Corporation. The purpose of this organization is to assist in developing and improving the resources and services at the Walkertown Branch Library of the Forsyth County Public Library System.

- › Financial support gained through membership and general fund raising.
- › Members and volunteers who wish to contribute their time, energy and ideas in assisting the library with projects and programs.
- › Community advocacy achieved through activities that emphasize the importance of the resources provided by the Public Library.
